Residency Plan

Please indicate below the option selected for completion of residency. In the space provided, present a summary of professional activities to be included in the residency plan.

_____ **OPTION A**

A full academic year of two consecutive semester:

- for a minimum of 18 semester credit hours
- with attendance at residency seminar each semester
- with professional activities

_____ **OPTION B**

A full academic year of two consecutive semesters and one summer session:

- for a minimum of 18 semester credit hours
- with attendance at residency seminar each academic year semester
- with professional activities

_____ **OPTION C**

Alternative Plan. Requires program area plan and approval by Program Area Coordinator (must be attached).

NOTE: With Option B, the summer session may be at either end of the academic year. With Option B, students must be enrolled for a minimum of eight credit hours, excluding dissertation hours, during two of these terms.

Professional Activities Anticipated During Residency
