

Pervasive Developmental Disorders (PDD) Specialist Certificate For SPED Majors or Licensed SPED Professionals

Certificate coursework and field-based experiences are prescribed based on the program approved for KSU. The PDD certificate program is jointly implemented through the School of Speech, Language and Audiology and the Special Education program. It is not an Ohio Department of Education program. Students must apply and be admitted into the PDD program to be eligible for the KSU certificate. The courses prescribed on this page apply toward the PDD certificate. If you are interested in a masters degree from KSU, you must be fully admitted into the program and complete the prescribed coursework on the prospectus in addition to courses that are prescribed here for the certificate.

Course #	Course Name	Alternate Course	Credit
