

Spring 09 Doctoral Seminars

shwebb@kent.edu

SPED 83991 call #21600 **Doctoral Seminar in Cultural and Linguistic Diversity in Early Childhood Intervention**

Date: Tuesdays 4:25-7:05

Location: 210 White Hall

Instructors: Dr. Sanna Harjusola-Webb in collaboration with Dr. Jennifer Grisham-Brown (University of Kentucky) and Dr. Beth Blue Swadener (Arizona State University)

Description: A study of major trends and issues in early childhood intervention with an emphasis on cultural and linguistic diversity. Several contemporary trends such as the revised developmentally appropriate practice guidelines, standards and accountability will be examined. The class is transdisciplinary by nature and targets professionals interested in issues facing those who serve young children and their families.

SPED 73030 call #13553

Pharmacological Interventions in Special Education

Date: Tuesdays 7:20-10:00

Location: TBA

Instructor: Dr. Christy Balan

Description: The focus of this course is on the effects and side effects of psychotropic drugs. As such, this course will examine the principles and mechanisms of drug action. In addition, the content will examine methods for modifying classroom, work, and social settings to foster success by the consumer.

SPED 83991

Single Subject Research Design

Date: Thursdays 4:25-7:05

Location: TBA

Instructor: Dr. Lyle Barton

Description: Single subject research incorporates designs that are routinely used in SPED research. Single subject designs can be applied when the sample size is one or when a number of individuals are considered as one group. The research method is used extensively in the experimental analysis of behavior and applied behavior analysis.
